 *4. When applying for Installment payment for "more than ¥100,000 (incl. tax)" or "Accessories Purchase", DOCOMO will confirm the information required (income/loan status, payment of home loan/rent of the one who maintain the living, family size, whether living together, etc.) for the screening process.
 *5. "Access Restriction Service" is a service to restrict access to sites such as dating sites and harmful sites (application required / no monthly charge). In principle, application for this service is required in accordance with the implementation of the Act on Secure and Safe Internet Use Environment for the Youth. Furthermore, if no selection is made, intention to apply for sp-mode Filter/ ANSHIN Filter for docomo (ANSHIN mode) / i-mode Filter will be assumed and the service will take effect.
 *6. The Limit password is required when configuring settings for sp-mode Filter Customizer, etc. If a Limit password is already in use, a new password will not be registered. Users who know their Limit password will be able to change which sites can be accessed on their own. Therefore, legal representatives should change the password at the Limit Service Center as necessary (make sure to change it after the initial settings). Please keep the password safe.
 *7. Through Internet use, young people may be exposed to potentially harmful information detrimental to a healthy upbringing. Please bear this in mind if you do not use or plan to stop using Access Restriction Service (Filtering Service).
 *8. The legal representative may be contacted for confirmation at the time of application.
